EFFECTIVE**

PREMIUM SHAMPOO & CONDITIONER

EcoSolve's Premium Shampoo and Conditioner formula is pH neutral and is very effective for removing dirt and oily substances. The deep cleaning ingredients eliminate skunk and other obnoxious odours. Natural conditioners leave your pet's fur glossy and soft. Its natural preservative is ASPCA approved as non-toxic to cats, dogs and horses making it one of the safest, natural shampoos for your pet.

INGREDIENTS: Aqua (Water), Alkyl polyglucosides (Emulsifier), Coco betaine (Surfactant), Xanthan gum (Stabilizer, Consistency), Sodium chloride (Salt-Consistency), Tocopheryl acetate, (Vitamin E – Antioxidant & Skin-Conditioning Agent), Silk amino acids (Conditioner), Tetrasodium EDTA, (Preservative, Chelating agent), Citric acid, (pH Adjuster), Musa Paradisiaca (Natural preservative, Deodorizer).

- Odour-Free Neutralizing Formula
- Naturally Hypoallergenic
- Formulated Scent Free for Dogs, Cats, and Puppies with allergies or sensitive skin
